## Man Allegedly Broke Into Canberra Airport, Drove Van Before Escaping Through Fence

A man allegedly broke into the Canberra Airport and stole an airline vehicle before escaping by driving through a fence. The 31-year-old from Canberra allegedly scaled a fence on 29 October and entered a restricted area of the airport where he was seen running across the tarmac, police say. He allegedly broke into an airline van and began driving erratically across the runway before leaving the area by driving through a fence.

## Six Nigerian Drug Mules Who Swallowed Up to 150 Capsules of Cocaine

Six Nigerian passengers were busted with cocaine capsules in their stomachs before they attempted to board a flight in [Brazil](#) on Tuesday. Federal Police agents were performing routine checks of passengers waiting to board a flight for [Ethiopia](#) at Guarulhos International Airport in the southeastern city of São Paulo when they notice that one of the suspects was behaving strangely. Authorities searched the man and his hand luggage, and then subjected him to a test through a drug and explosive trace detection device which showed that he had come into contact with cocaine.

## Gold Stolen From Toronto Airport Was Not Insured

The cargo container stuffed with gold bars and millions in cash that was stolen from [Toronto's Pearson airport](#) was not insured, according to [Air Canada](#), as the airline denies responsibility for the shocking theft from its cargo facility. The airline breaks its silence on the alarming theft — the cargo container of \$20 million in gold and US\$2 million in cash was taken shortly after it arrived on an Air Canada jet from Switzerland — in a statement of defence filed in court in response to a [lawsuit by Brink's](#), a secure transport company.

## Naked Woman Attacks Chilean Airport Passengers

Security staff at Santiago de Chile's Nuevo Pudahuel Airport failed to react when a naked woman began attacking male and female passengers. The woman, screaming and shouting, began to attack people who crossed paths with her, as **bewildered security guards watched on**. After throwing the passenger, the aggressor lay motionless on the ground. The Emol news agency reported that the woman consumed **hallucinogenic mushrooms** at a party in Barrio Republica in Santiago de Chile.

## France Bomb Threat

Air traffic at Caen airport in France was halted on Friday morning after a bomb threat, authorities have said. A bomb disposal squad has already been called in to deal with the situation. "The interdepartmental demining service is on site on the runway and in the airport buildings," the local prefecture said. The airport, located in Normandy, is currently closed and travellers are advised to wait for updates.

## Ex-pakistan Soldiers Among Terrorists: Army Commander

Northern Army Commander (NAC) Lieutenant General Upendra Dwivedi indicated Friday the presence of retired Pakistani soldiers among terrorists in J&K, flashing the alert days after the Rajouri encounter in which five army personnel and a top Lashkar-e-Taiba died along with another operative. "When we tried to seek identification of foreign terrorists, we came to know that some of them are retired army personnel (of Pakistan)," Lt Gen Dwivedi replied when asked about the possible presence of Pakistan special forces' personnel among terrorists.

## Imphal Airport On High Alert After CISF Personnel Spotted Unidentified Object

Imphal's Bir Tikendrajit International Airport was shut down for about four hours on November 19. A high alert was issued after an unidentified object was spotted over the airport. Operations were resumed at around 5.30 pm. The object was sighted by CISF personnel and at around 2.30 pm. The operations were halted and about 500 passengers of three outbound flights were stranded, a source said. As many three flights scheduled to departure from Imphal to Agaratala, Guwahati and Kolkata around 3 pm were suspended till 6 pm. Another flight from Delhi to Imphal was diverted to Kolkata while a flight from Guwahati to Imphal at 3.50 pm which was also suspended later.

## Singapore Airlines Flight Attendant Arrested for Shoplifting and Biting Man's Arm

A [Singapore Airlines](#) flight attendant was [arrested](#) earlier this month after allegedly stealing items from a store in Japan. In addition to theft, multiple reports claim that the suspect bit a security guard's arm while trying to be stopped. The [flight attendant](#) reportedly stole nearly \$70 worth of items but denied the allegations, insisting they would be paid for "later." Singapore Airlines has confirmed the incident, and Singapore's government is now involved.

## ACI Europe and TSA Launch Guidance for Open Architecture for Aviation Security

Today the Transportation Security Administration and the Airport Council International – Europe launched their joint Guidance on Open Architecture for Aviation Security Systems. According to a [LinkedIn post](#) from ACI Director General Olivier Jankovec, "By providing a framework for common standards and specifications for secure data interconnectivity/interoperability in relation to security systems & technology.
